

STUDENT ASSIGNMENTS TO ESSAY TOPICS

All students submitting forms in class on Wednesday May 7 were assigned to their first choice paper topic. Congratulations. This list is updated with email requests received since.

As of May 13, 2:00 pm all assignments have been made. The final block of students who had not indicated a preference were assigned to the remaining available slots in Topic II.

Grading assignments for the paper topics are as follows:

Topic I Mario Guerro
Topic II Sarah Oliver
Topic III Brooke Mascagni

Each TA will be creating a "Forum Topic" related to the essay topic they are grading. You should direct general questions to them through the forum. You may also locate them after class or during their office hours for further contact.
