Respondents

We have before us the Emergency Petition for Extraordinary Relief of Secretary of State Katherine Harris, in which petitioners request that this Court enter a writ of mandamus under authority of article V, section 3(b)(8) or section 3(b)(7) of the Florida Constitution, which provide that this Court may issue writs of prohibition to courts and all writs necessary to the complete exercise of our jurisdiction. We have considered this petition and have determined that the petition should be denied without prejudice to petitioners appropriately presenting all issues in the trial court.

Therefore, the petition is denied without prejudice.

It is so ordered.
