The Honorable Joseph R. Biden
President of the United States
The White House
1600 Pennsylvania Avenue, Northwest
Washington, D.C. 20500

Dear Mr. President:

Thank you for your bold vision and patriotic leadership which have guided America out of crisis and into an era of great progress, as we not only recover from the pandemic but Build Back Better! Indeed, this past year has been historic: with the life-saving American Rescue Plan, once-in-a-century Bipartisan Infrastructure Law and, soon, the truly transformational Build Back Better Act!

In that spirit, I am writing to invite you to address a Joint Session of Congress on Tuesday, March 1, to share your vision of the State of the Union.

Thank you for considering this invitation to speak to the Congress and Country.

Sincerely,

NANCY PELOSI
Speaker of the House
